Address: Mekdela Amba University, Wollo, Dessie, Ethiopia (Work)

ABOUT ME

I'm dedicated to lifelong learning and cutting-edge technologies as a university lecturer. Artificial intelligence and data science are my strong passion. I have a strong work ethic, expertise in academic settings, and good problem-solving, managerial, and research skills. I am eager to work extensively in research environments and actively pursue continuous professional.

EDUCATION AND TRAINING

01/12/2018 – 23/09/2023
BSC IN SOFTWARE ENGINEERING Wollo University

- Software engineering methodologies and system design
- Database systems and data management
- Web and mobile application development
- Software project planning, risk, and quality management
- Practical experience in full-stack development
- Analytical thinking and computational problem solving

01/05/2023 – 20/09/2023 Ethiopia
INTERNSHIP App Factor Academy

- Completed structured training in modern software development technologies
- Acquired hands-on experience in programming and application development
- Designed and developed software projects in a team-based environment
- Delivered regular presentations on project progress and results
- Strengthened problem-solving, teamwork, and communication skills
- Gained practical experience in software engineering workflows

03/04/2026 – 04/04/2026
THEMATIC RESEARCH AND INTERNATIONALIZE TRAINING Ministry of Education

20/10/2024 – 21/10/2024
INDUCTION TRAINING Mekdela Amba University

19/02/2023 – 20/02/2023
BOOTCAMP FOR FUTURE SOFTWARE ENGINEER'S TRAINING Wollo University

01/10/2025 – 31/01/2026
ELIP-ENGLISH LANGUAGE IMPROVEMENT PROGRAM Mekdela Amba University

WORK EXPERIENCE

ASSISTANT LECTURER – MEKDELA AMBA UNIVERSITY – 20/10/2024 – Current – ETHIOPIA

- Delivering lectures in Software Engineering and Computer Science courses
- Supervising student research projects and final-year theses
- Engaging in research activities in AI, NLP, and Deep Learning
- Mentoring students and supporting academic development

- Applying modern teaching methods and digital tools
- Contributing to curriculum design and academic quality improvement
- Participant in community service trainings

PRESIDENT, STUDENT PEACE & SECURITY CLUB – WOLLO UNIVERSITY – 01/01/2021 – 01/08/2023

- The president of a student peace and security club is the main student leader in charge of educating students about safety, tolerance, and nonviolence within the campus community without expecting tuition.

PUBLIC RELATIONS (PR) THE STUDENT PEACE & SECURITY CLUB – WOLLO UNIVERSITY – 01/01/2019 – 30/12/2020

- The Public Relations (PR) Lead of a Student Peace & Security Club is responsible for building the club's reputation, promoting its events, and using tactical communication to foster a culture of peace. They act as the "eye" of the club and oversee social media, events, and outside collaborations to boost credibility and participation.

PROJECTS

01/01/2022 – 01/09/2023
Fitness App

This develops for the final year project. Our fitness app is a web-based or mobile software program made to assist users in monitoring, controlling, and enhancing their general well-being and physical health.

01/01/2024 – 01/05/2024
Water Poteblity Predction Model

A machine learning-based water potability prediction model classifies water as safe or unsafe for human consumption (portable) by analyzing parameters like pH, hardness, solids, and chlorine

01/01/2025 – 01/01/2026
POS Tagging For Geez Language

Part-of-Speech (POS) tagging for **Ge'ez** (Ethiopic) is a specialized field of Natural Language Processing (NLP) focused on assigning grammatical categories to words in this ancient Semitic language.

01/01/2026 – 01/04/2026
Geez Corpus Preparation and Cleaner Workspace

01/01/2022 – 27/09/2023
Letter of Appreciation For Final Year Project

I would like to formally and sincerely express my gratitude for the amazing work you accomplished on your final year project. Your project work is impressive and shows exceptional discipline and dedication to Wollo University's Software Engineering Department. Your actions directly impacted the department by developing software entitled "Fitness Mobile Application." I want you to know that I value the amount of effort you have put into your work. You are significantly appreciated as a part of this team.

Once again, thank you for your hard work. I look forward to seeing your future achievements and successes!

VOLUNTEERING

01/08/2018 – 30/10/2018
Summer Season Youth's Voluntary Services

01/01/2019 – 01/01/2022
Charity Club

01/01/2018 – 01/08/2023
Anti-Dureg Club

01/01/2019 – 01/08/2023
Peace and Security

RECOMMENDATIONS

Leul Aynekulu Department Head

I am writing to highly recommend Banteamlak Begashaw Shibesh, software engineering graduate from Wollo University. I had the privilege of overseeing Banteamlak's academic progress and contributions to various class projects and assignments during his Fundamentals of Software Engineering and Requirement Engineering courses. I can confidently attest to his exceptional skills, dedication, and commitment to the field of software engineering.

Amare Kebede Computer Science Department Head

As the instructor of Wollo University Institute of Technology of Computer Science Department, I have had the great pleasure to write this reference letter for Banteamlak Begashaw. I have known him very well for the last five years. He has been a tremendous student. I taught him different computer-related courses, and I found him to be the best student and to have remarkable grasping power, analytical capabilities, and contributions in his field of study.
